***How to determine which class to sign up for:***

**Tiny Tumble:** This class is our beginner class for ages 3& 4 years.

**JR Prep and Level 1** are run at the same times. This is the beginner class for all students who have not mastered a backbend or bridge kickover. Student will be working on rolls, bridges, cartwheels, handstands and kickovers. JR Prep is a younger age bracket and students will be grouped accordingly throughout the structure of the class.

**Level 2:** This class is for students who can do an unassisted backbend and bridge kickover. They will work on mastering/perfecting walkovers and handsprings.

**Level 3:** This class is for students who can do an unassisted standing back handspring. They will work on mastering running and connecting handsprings & tucks.

**Ninja Kidz:** Please see the Ninja Kidz page of the website for a description of this high-energy, maneuver & obstacle based class.
